ANNEXURE

BEFORE SRI B. K. SRIVASTAVA, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, PANDU NAGAR, KANPUR Industrial Dispute No. 82 of 1993

In the matter of dispute between :

Rattan Singh son of Sri Kanhi Lal,
Village Sucha a, Post Pachauli,
District Agra.

AND

Depot Manager,
Canteen Stores Department,
Station Road, Agra Cantt.

AWARD

1. Central Government, Ministry of Labour, New Delhi vide its no. L-14012/20/92 I.R.D.U., dated 30th September, 1993, has referred the following dispute for adjudication to this Tribunal—

"Whether the action of the Depot Manager, Central Store Depot, Agra Cantt. in terminating the services of Shri Rattan Singh S/o Shri Kanhi Lal w.e.f. 4-1-89 is justified? If so, what relief he is entitled to?"

2. The case of the concerned workman Rattan Singh is that he had worked on a permanent post in the opposite party Canteen Stores Department, Agra from 17-5-86 to 3-1-89. His services were terminated w.e.f. 4-1-89 and one Rattan Singh junior to him was deputed to perform this duty. Thus there has been breach of section 25F of I.D. Act and Section 25G of the Act. In this way the termination of the concerned workman is bad in law.

3. The case of the opposite party is that the concerned workman was engaged as mazdoor to meet the exigency of work he did not work continuously. A test was held in which he had failed hence his name was not empanelled. It was also alleged that the opposite party organisation is not an industry.

4. The concerned workman has filed rejoinder in which nothing new has been said.

5. The concerned workman has adduced his evidence where opposite party has given the evidence of M. L. Garg, M.W.I. Besides the concerned workman had relied upon certificate dated 22-11-88. The opposite party has relied upon ext. M.I to M.31 the copies of muster to show that the concerned workman has not worked continuously.

6. There is copy of judgment in Civil Appeal No. 484 of 1975 Pandu R. K. Nagde versus Union of India dated 11-12-85 in which Canteen Stores Depots in India has been held to be an industry. In view of this judgment of Hon'ble Supreme Court, I have no hesitation in holding that opposite party organisation is an industry.

7. The second point which calls for determination is as to whether the concerned workman has worked continuously from 17-5-86 to 3-1-89. The concerned workman Rattan Singh has stated that he has continuously worked as stated above.

8. Shri M. L. Garg, Manager of Canteen Stores Depot, Agra has stated that he was not continuously worked. In support of this he had relied upon copies of muster rolls. He had denied the suggestion that original muster rolls have been lost, and that indicated muster rolls have been prepared or which extracts have been filed. Even if it so, in my opinion, the document filed by the concerned workman himself goes to believe his version. As stated earlier there is copy of certificate dated 22-11-88 in which the concerned workman has been shown to have worked as daily rated mazdoor with intermittent breaks. It shows that the concerned workman had not worked continuously. Thus the paper filed by the concerned workman himself belies his stand. Hence my finding is that the concerned workman had not worked continuously in this way it is also not proved that he had continuously worked for more than 240 days in any calendar year as such he is not entitled for benefit of Section 25F of I.D. Act.

9. No doubt averment was made by the opposite party that the concerned workman has failed to appear in test but neither any documentary or oral evidence has been adduced to prove this fact. Hence, this plea is decided against the management for want of proof.

10. Now the only point which calls for determination is as to whether concerned workman is entitled for benefit of section 25G of I.D. Act, if so whether there has been breach of it in the case of management of State Bank of Bikaner and Jaipur versus their workmen Civil Appeal No. 7029 of 1994 wherein it has been held by the Hon'ble Supreme Court vide judgement dated 8-2-86 that the provisions of section 25G and H of I.D. Act that a workman should have completed 240 days in a calendar year. It is an ought if it is shown that he was engaged temporarily and has done work which is normally done by a permanent workman. The concerned workman has alleged that he was doing the work of permanent nature. M. L. Garg, M.W.I has denied it. In his cross-examination he has stated that the concerned workman was doing the work of loading and unloading whereas permanent employees do not do it. However, later on he admitted that work of loading and unloading are being done by permanent hand as well. From this it becomes clear that concerned workman was doing the work of permanent nature on temporary basis as daily rated worker. These can be no manner of doubt that such a workman is also entitled for benefit of section 25G of I.D. Act. It has been disputed that in place of this workman one Rattan Singh has been deputed who is Junior to him. Thus there has been breach of section 25G of I.D. Act. Even otherwise to my opinion the workman who is doing the work on temporary basis cannot be deprived of work without any rhyme or reason.

11. In the end my award is that the termination of the concerned workman is bad in law and as such the concerned workman is bad in law as such the concerned workman will be entitled for reinstatement in service in the position in which he was working on the eve of his cessation of work as a daily rated worker.

12. Reference is answered accordingly.

B. K. SRIVASTAVA, Presiding Officer.

6. There is copy of judgment of Civil Appeal No. 484 of 1975 Radhu K. Kagde versus Union of India, dated 11th December, 1985 in which Canteen Stores Depot in India has been held as Industry. In view of this judgment of Hon'ble Supreme Court, I have no hesitation in holding that opposite party organisation is an industry.

7. The second point which calls for determination is as to whether the concerned workman had worked continuously from 5th January, 1986 to 3rd January, 1989. The concerned workman Ram Bhajan has stated that he has continuously worked as stated above. Whereas M. L. Garg, Manager of Canteen Stores Depot, Agra, has stated that he has not continuously worked. In support of this he had denied the suggestion that original muster rolls have been lost and that fabricated have been prepared of which extracts have been filed. Even if it is so in my opinion, the document filed by the concerned workman himself goes to believe his version. As stated earlier there is copy of certificate dated 22nd November, 1988 in which the concerned workman has been shown to have worked as daily rated mazdoor with intermittent breaks. It itself shows that the concerned workman has not worked continuously. Thus the document filed by the concerned workman belies his stand, hence my finding is that the concerned workman had not worked continuously. In this way it is also not proved that he had continuously worked. In this way it is also not proved that he had continuously worked for 240 days in a calendar year as such he is not entitled for the benefit of section 25F of I.D. Act.

8. No doubt averment made by the opposite party that the concerned workman has failed to appear in test but neither any oral or documentary evidence has been adduced to prove this fact, hence this plea is decided against the management for want of proof.

9. Now the only point which remains to be decided is as to whether the concerned workman is entitled for benefit of section 25G of I.D. Act, is so whether there has been breach of it. In the case of management of State Bank of Bikaner & Jaipur versus Their workmen, Civil Appeal No. 7029 of 1994 wherein it has been held by the Hon'ble Supreme Court vide judgment dated 8th February, 1996 that the provisions of section 25G and H of I.D. Act, are independent of section 25F of I.D. Act. In other words it is not necessary for availing the benefit of section 25II of I.D. Act that a workman should have completed 240 days in a calendar year. It is enough if it is shown that he was engaged temporarily and has done work which is normally done by a permanent workman. The concerned workman has alleged that he was doing the duties of a permanent nature. M. L. Garg M.W. 1 has denied it. In his cross-examination he has stated that the concerned workman was doing the work of loading and unloading were as permanent employees do not do it. However, later on he admitted that work of loading and unloading are being done by permanent hands as well. From this it becomes clear that concerned workman was doing work of permanent nature on temporary basis as daily rated worker. There can be no manner of doubt that such workman is also entitled for benefit of section 25G of I.D. Act. As even a daily rated workman has been held to be a daily rated workman as envisaged by section 2(s) of I.D. Act. It has not been disputed that in place of this workman one Nandan Singh has been deputed who is junior to him. Thus there has been breach of section 25G of I.D. Act. Even otherwise to my opinion the workman who is doing work on temporary basis cannot be deprived of work without any ryhm or reason.

10. In the end my award is that termination of the concerned workman is bad in law and as such the concerned workman will be reinstated in the position in which he was working on eve of his cessation of work as a daily rated worker.

11. Reference is answered accordingly.

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL
CUM-LABOUR COURT, PANDU NAGAR, KANPUR

Industrial Dispute No. 249 of 1990

In the matter of dispute between :

Assistant General Secretary,
Uttar Railway Karamchari Union,
39-J-Bahumanjaliya Railway Colony,
Charbagh, Lucknow.

AND

Dy. Chief Signal & Telecommunication Engineer,
Construction Uttar Railway, Lucknow.

AWARD

1. Central Government, Ministry of Labour, vide its notification No. L-40011/9/90-IRDU dated 21st October, 1990, has referred the following dispute for adjudication to this Tribunal :

Whether the Dy. Chief Signal & Telecommunication Engineering & Sr. D.P.O. Northern Railway are justified in not regularising Sri Lal, Mohd. & 26 other workmen on the skilled jobs as per list enclosed in terms of para 2512(2) of Railway Establishment rules ? If not, to what relief the concerned workmen are entitled ?

2. In this reference there are 29 workmen headed by Lal Mohammad. The details of these workmen are being enclosed herewith.

3. The case of these workmen is that they were initially engaged as skilled workmen and were required to do the work of fitter, carpenter, painter, blacksmith with opposite party Dy. Chief Signal & Telecommunication Engineer. In 1981 their screening took place and they were granted temporary status w.e.f. 1991. Since then they have been making claim for regularisation but their request had gone unheeded. However the date from which regularisation has been claimed has not been given. It is alleged that under Rule 2512(2) of Railway Establishment Manual they are entitled for this regularisation.

4. In reply the railway has alleged that the concerned workmen never directly recruited as skilled workmen. They were engaged as casual worker. At no point of time they were given temporary status, earlier than 1st January, 1981. Their screening took place for clause IV job. They were found fit hence they were absorbed accordingly. They cannot claim regularisation as skilled worker outright.

5. In the rejoinder new facts alleged in the claim statement have denied.

6. It may be mentioned that concerned workmen did not adduce evidence and ultimately they were debared from giving evidence. Management has also not given evidence.

7. It is evident that the claim of the concerned workmen is based on Rule 2512(2) of Railway Establishment Manual. A perusal of this Rule would go to show that this rule is available to those persons who are recruited or promoted in semi skilled, skilled and highly skilled categories will be entitled for regularisation at any post. This fundamental requirement for availability of this rule that workman should have been recruited initially as skilled or semi-skilled. In this case the management has denied this fact. Hence it was

necessary for the workmen to have adduced evidence in this regard. In any case they ought to have filed service card. That would have clinched the issue in their favour. In its absence, I come to the conclusion that the concerned workmen were not initially recruited as semi-skilled or skilled workers. Hence the benefit of this para is not available to them. Accordingly they are not entitled for regularisation on this basis for want of proof.

8. The authorised representative has also filed copy of award dated 2nd May, 1995 given by this Tribunal in I.D. No. 121 of 1991 on the basis of which it has been sought to be argued that some workmen were regularised. It was an ex-nrute award. Further in the instant case as pointed out earlier the concerned workmen have failed to prove their case that initial appointment as skilled workmen. Thus this award will not help them.

9. Accordingly my award is that concerned workmen are not entitled for regularisation and other consequential benefits.

Dated : 13-9-1996.

AWARD

1. Central Government, Ministry of Labour, vide its notification numbers referred to above, have referred the dispute for adjudication as under—

Whether the action of the management of canteen stores Department of terminating the services of—

Bhooram son of Ram Murti Lal, Raikendra Kumar son of Ram Swarup Badshah son of Ram Chander Daulat Ram son of Ram Lal Shri Narain son of Khem Karan.

Ex. daily rated mazdoor w.e.f. 15-12-88, 4-1-89, 17-1-89, 25-1-89 & 13-12-86 respectively is justified? If not, what relief he is entitled to?

2. The aforesaid five reference are being disposed of by a common award as having the dates of appointment and termination the facts and evidence in common to them. Main evidence has been adduced in I.D. case no. 41 of 1994 Bhoop Ram and Canteen Stores.

3. First the details of dates of appointment and termination of all the five workmen will be given, thereafter, the remaining part of claim statement will be recited. It is also pertinent to note that the management has not chosen to file written statement. Instead they have filed rejoinder on affidavits. Strictly speaking such affidavit cannot be treated as part of

pleading. Still in order to avoid prejudice to the management, I will consider the objection raised in the rejoinder.

4. Following are the details of management and termination of all the five workmen.

Sl. No.	I.D. No.	Name of the workmen	Date of appointment	Date of termination
1.	42 of 94	Dhoop Ram	15-11-86	15-12-88
2.	40 of 94	Surendra Kumar	11-11-85	4-1-89
3.	42 of 94	Badshah	28-2-85	17-1-89
4.	44 of 94	Daulat Ram	5-5-86	25-1-89
5.	48 of 94	Sri Narain	1-7-85	12-12-88

All the concerned workmen have alleged that they have continuously worked for more than 240 days in a year from the date of appointment upto to the date of their respective termination. The opposite party management had prepared a panel of daily rated mazdoors in which the names of the applicants have not been included wrongly and thereafter the concerned workmen were denied the work. That amounts to termination. This retrenchment is motivated because they were being paid Rs. 15/- per day as wages whereas regular employee doing the same job was being paid Rs. 1162 per month. Then they claimed for parity their services were brought to an end after preparing the aforesaid panel. As the time of their retrenchment juniors were retained in service. Hence because of non payment of retrenchment compensation and notice pay and further without affording any opportunity their termination is bad in law.

5. The opposite party management have filed counter affidavit in which it is alleged that employees of the opposite party are governed by Fundamental Rules and Supplementary Rules Central Service Rules, 1965 etc., hence they would not be governed by provisions of I.D. Act. Further it was alleged that opposite party is not an industry. On facts it is alleged that concerned workmen were appointed in leave vacancies as daily rated workers, they have not completed 240 days in any calendar year. Further the strength of group 'D' employees to which the concerned workmen belong has been reduced. Lastly reference has been made to I.D. No. 204 of 89 and 205 of 89 given by Central Labour Court Vishakapatnam by virtue of which the court had declined to entertain the application.

6. In the counter affidavit the concerned workmen have reiterated facts as alleged in the claim statement.

In support of their respective case each of the applicant has given his affidavit indicating their date of appointment and termination. They have also stated that they had continuously worked and did not work in any leave vacancies. This fact has been controverted by H.P.Gupta, UDC DW1. In his cross examination he has also stated a panel was prepared in which persons who had worked for more than 240 days were impelled. As the concerned workmen had not completed 240 days work their names were not included. Besides the workmen have filed Ext. W-1 to W-8.

8. I will take up the legal objection of the opposite party first.

9. The authorised representative of the concerned workmen have filed judgment dt. 5-7-91 of C.A. No. 135 of 89 of Central Administrative Tribunal, Bombay. In this case this very objection was raised regarding opposite party being an industry or not. It was answered against the establishment. In that case reliance was placed on the case of Re/lin R. Kudayareni Union of India 1986 SCC (L&S) 177. In that case all the opposite party was held to be an industry. In view of this authority I have no hesitation in over ruling the objection of the management.

10. Next the authorised representative of the management have cited the judgment of I.D. No. 205 of 89 dt. 12-5-91. It appears that the Presiding Officer of the Tribunal had refused to entertain on the ground that notification in official capacity was not made in respect of appointment of Presiding Officer. In this context the Presiding Officer had showed his inability to proceed with the case. In the instant case there is no such problem as such this case will not help the opposite party in any manner. The contention based on this order is negatived.

11. Next the effect of letter dt. 15-8-99 will be considered, by this letter Assistant General Manager on behalf of the General Manager of the opposite party Government of India

had given some directions. First it was deplored that non sponsored individuals were being impanelled by local officer. It was emphasised that persons sponsored by Employment Exchange, District Sailor Soldier Airmen Board should be impanelled. It was further directed that no persons other than those impanelled before 7-5-77 should be impanelled unless their names are sponsored by the above mentioned government agencies. Thus by this letter a cut off date namely 7-5-83 was fixed. Although concerned workmen were not impanelled as their names are not found to have been sponsored by the employment exchange. In my opinion fixing of cut off date with retrospective effect is against the canon of natural justice as by such action rights acquired by persons previously are adversely effected. If to management has chosen not to impanel them on the basis of this direction it is bad in law. Consequently non impanelment of the concerned workmen in the panel is bad in law on this score. There can be no manner of doubt that exclusion of name of a person who had rendered some service would amount to retrenchment. In this way cessation of the services of the concerned workmen on this basis is bad in law.

12. Lastly it will be seen if the concerned workmen had worked continuously. In this regard there is evidence of all the five concerned workmen. No doubt H. D. Gupta had entered into the witness box and has denied this fact, but I am not inclined to accept the same. Obviously the concerned workmen being daily rated worker could have no relevant papers to prove their case. They could prove their case only by their oral evidence. The opposite party could have satisfied the case of the concerned workmen by filing and proving the extracts of attendance register which they have not done. The management have even not proved the documents which they had filed. Apart from this there are certificate Ext. W-8 in 1. D. 41 of 94 and Ext. W-8 of I.D. 48 of 94 in respect of Bhoop Ram and Sri Narain respectively. In these certificates the above mentioned persons have been certified to have worked by persons of the management. It was also certified that both the workmen had worked from 1-7-85 continuously except Sundays and other holidays. The other workmen have not filed certificate. Any way the case of these two workmen further finds support from these certificates. In view of the above discussion I accept the version of the concerned workmen and it is held that each of the workmen had completed 240 days before their respective retrenchment. It is not disputed that they have not been paid notice pay and retrenchment compensation.

13. Hence the termination of each of the concerned workmen is bad on this score.

14. In view of above discussions, my award is that termination of these workmen is bad in law and as such they are entitled for reinstatement with back wages at the rate at which they were lastly paid.

Industrial Dispute No. 147 of 1990

In the matter of dispute between :

Sheo Balak C/o M. Lal, Vice President,
United Union Congress, 11-A/310, Ashok Nagar,
Kanpur.

AND

Executive Officer,
Cantonment Board,

APPEARANCES :

Sri V. K. Gupta—for the Management

AWARD

1. Central Government, Ministry of Labour, New Delhi, vide its notification No. L-13012/8/89/D-2(B), dated 4-6-90 has referred the following dispute for adjudication to this Tribunal—

Kya Executive Officer, Cannt. Board, Kanpur dwara Bhutpurva Sri Sheo Balak, Coolie ko dinank 24-8-88 se nishkashit karna nyayochit Hai? Yadi nahi to sambandhit karmkar kis anutosh ka haqdar hai?

2. The case of the concerned workman Sheo Balak is that he was appointed as temporary coolie with the opposite party, Cantonment Board, Kanpur and his services were illegally terminated from 24-8-88. It is alleged that he was doing the work of permanent nature. He has further admitted that in 1985 he had worked for 107 days, for 97 days in the year 1986, for 127 days in the year 1987 and for 128 days in the year 1988. It is alleged that after removing the concerned workman the services of other employees were utilised which is a glaring example of unfair labour practice. As juniors to him were retained and were made permanent as such there has been breach of section 25G of I.D. Act.

3. The opposite party has filed reply in which it is alleged that the concerned workman had not continuously worked. In fact he was deployed to complete the exigencies of work. He never performed work of permanent nature. He was a daily rated employee. For such a daily rated employee benefit of section 25G of I.D. Act is not available.

4. It is obvious from narration of facts that the concerned workman has not completed more than 240 days in any calendar year hence question of applicability of section 25F of I.D. Act. does not arise.

5. Next it will be seen if the workman had performed the job of permanent nature or had done work to clear arrears of work. In this regard there is oral evidence of parties. There is affidavit of concerned workman Sheo Balak in which he has sworn all the allegations made in the claim statement. In his cross-examination he has admitted that he was not given any appointment letter. He was muster roll employee and that he had worked upto 31-10-88. On the other hand Neeraj Jain, MWI Assistant Engineer has stated that concerned workman was a casual worker and had worked to clear the arrears. In his cross-examination he could not say

if others were employed in his place. Taking into consideration that the concerned workman was muster roll employee and statement of MW1, Neeraj Jain, it is established that the concerned workman was not asked to perform any work of permanent nature. When he was not engaged for doing the permanent nature of work, question of unfair labour practice does not arise. I am further of the view, that such a person is also not entitled for benefit of Section 25G of I.D. Act. As such the termination of the concerned workman is not bad and he is not entitled for reinstatement.

6. It may be added that in the reference order date of termination has been given as 24-8-88 whereas the concerned workman in his cross-examination has admitted that he had worked upto 31-10-88. Thus there is variation in the date of termination between the reference order as is found. When the concerned workman was not removed on 24-8-88 at all, in strict sense its validity could not have been examined.

7. I award accordingly.

AWARD

1. Central Government, Ministry of Labour, New Delhi vide its notification No. L-42011/25/87-D-2(B), dated 22-7-1988, has referred the following dispute for adjudication to this Tribunal :—

Kya Nideshak Central Institute of Horticulture For Northern Plains Lucknow Ke Praband Tantra Ko S/Shri Ram Kumar Aur Ashrafi Lal Ki 29-9-1988 Se Sewai Samapt Korne Ki Karwai Baid Nyaochit Hai ? Yadi Nahi To Sambandhit Karamkar Kis Anutosh Ke Hakdar Hai Aur Kis Tarikh Se ?

2. The concerned workmen Ram Kumar and Ashrafi Lal have alleged that the former workman had worked from 11-6-1985 to 29-6-1985 with the opposite party Central Institute of Horticulture where as the latter had worked from January 1981 to 29-9-1986. When they had completed more than is bad in law.

3. The opposite party has filed reply in which it has been denied that the concerned workmen had completed 240 days in a year. In fact they were engaged to do work of casual nature in doing research work.

4. In the rejoinder nothing new has been alleged.

5. 30-5-1996 was fixed for workmen evidence, but they failed to adduce evidence. 24-7-1996 was fixed for management evidence they also did not adduce oral evidence.

6. Thus it is a case of no evidence, Burden of proof lay upon the workmen to proved as completed there has been breach of Section 25-F of I. D. Act. In the absence of any proof my findings is that termination of services of the concerned workmen is not bad in law. Hence they are not entitled for any relief.

In the matter of dispute between :

Shri Anand Ram, S/o late Shri Devi Ram Daujika Mandir, Canal Road, Chadausi, Moradabad.

AND

District Manager, Food Corporation of India, Civil Lines, Moradabad.

AWARD

1. Central Government, Ministry of Labour, vide its notification Number, L-22012/169/F/92-I.R. (C-II), dated 1-10-1992, has referred the following dispute for adjudication to this Tribunal :—

Whether the action of the management of Food Corporation of India in terminating the services of Shri Anand Ram S/o. late Shri Devi Ram Waterman, w.e.f. 20-6-1974 is legal and justified ? If not, to what relief the workman is entitled ?

2. The concerned workman Anand Ram in his claim statement has alleged that he was engaged as a waterman on permanent vacancies by the opposite party District Manager, Food Corporation of India, Moradabad on 17-9-1993 and he continued to work there upto 19-6-1974. Thereby he had completed more than 240 days in a year. The opposite party has terminated his services w.e.f. 20-6-1974 without complying with the provisions of section 25-F of I. D. Act. Hence, his termination is bad in law.

3. The opposite party has filed reply in which it was alleged that the concerned workman was given employment as a casual labour and his services were liable to be terminated at any time. He had not rendered continuous service. Further he was not qualified. There was no vacancy as well.

4. In the rejoinder nothing new has been alleged.

5. The only point which needs consideration is as to whether concerned workman has completed 240 days in a year and has not been paid retrenchment compensation and notice pay at the time of his termination.

6. It may be mentioned that parties had gone before ALC as well. There the management has

conceded that the concerned workman had worked between September, 1993 to July 1974 for a period of 245 days. However this service was not rendered continuously. Apart from this admission there is also admission of Smt. Sarla Govil M. W. 1. In her cross examination she had admitted that the concerned workman had completed 240 days. Thus it will be seen that the statement of concerned workman Anand W. W. 1 in this regard finds support from the admission of Smt. Sarla Govil and statement before A.L.C. Hence, I have no hesitation in holding that the concerned workman had completed 240 days in a calendar year, hence he was entitled for benefit of section 25-F I. D. Act.

7. Admittedly no notice pay and retrenchment compensation has been paid to him. Hence termination of his services is bad in law.

8. It will be seen that there is great delay in seeking reference. It was done after a period of 15 years hence it was submitted on behalf of the management that the claim being stale should not be entertained. On the other hand the concerned workman has referred to the case of Jaibhagwan Versus State of Haryana 1984 SCC L&S (21) in which reinstatement was allowed. It may be mentioned that in this case there was delay of five years hence principle laid down in this case will not apply to the facts of present case where delay is of about 15 years. By this impliedly it can also be inferred that claim might have been abandoned. In any case delay in making reference and because there is no satisfactory explanation for this delay my award is that the concerned workman is not entitled for reinstatement inspite of the fact that his termination is bad in law.

9. In view of this he will be entitled for Rs. 5,000/- as retrenchment compensation in lieu of reinstatement.

10. Reference is answered accordingly.

For the Workmen : Shri P. V. Shinde, Advocate.

AWARD

The Government of India, Ministry of Labour by its order No L-22012/348/92-IR(C.II) dated 25-2-93, had referred to the following Industrial Dispute for adjudication.

“Whether the action of the management of Hindustan Lalpath Sub Area of W.C.L. Ltd., in terminating the services of Shri S. S. Pai, HLC Clerk is legal and justified ? If not, to what relief the workman is entitled to ?”

2. When the matter came before me the sub area manager of Hindustan Lalpath Colliery filed an application Exhibit 3, dated 6-2-95. He informed the tribunal that the matter is settled. He also produced form 'H' as per the rule-58 of the Industrial Disputes Act, 1947. By the said application he prayed for disposal of the reference.

3. The workmen opposed the application by say Exhibit-6.

4. The workmen filed statement of claim at Exhibit-7 of 15-9-95. The management resisted the claim by the written statement Exhibit-8.

5. Today when the matter was for hearing Mr. Prasad the learned advocate for the management strongly submitted that in view of the settlement the reference has to be disposed off. The Learned advocate for the workman submitted that on 13-4-96 the management had written a letter (Exhibit-11) to the Chief Medical Officer for re-medical examination of the worker. He submitted that under such circumstance the medical examination is to be carried out. Thereafter Mr. Prasad, the Learned Advocate for the management submitted that in view of the settlement his medical check up is carried out and he was found unfit. There was compliance of the terms of settlement. Under such circumstances the Tribunal has nothing to do in the matter but, he further submitted that in view of the letter of re-medical examination of the worker he will be asked the management to do the needful but that has nothing to do with the reference. The management may consider the matter sympathetically depending upon the result of the medical examination. On this submission the learned advocate for the worker submitted that the reference may be disposed of.

6. In fact when the matter is settlement it is to be filed a settlement in form No. H. If the parties admits contains nothing remained to be done in the matter. It is not the case of the worker that the settlement was not arrived at. In fact their is admission of the worker that the matter is settled. Under such circumstance I pass the following order :

ORDER

The reference is disposed off in terms of settlement, Annexure 1/A form 'H' to statement of claim Exhibit-3.

CAMP AT NAGPUR, dated 3rd September, 1996

AWARD

The Government of India, Ministry of Labour by its order No. L-22012/328/93-IR(C-II) dated 7-2-94 had referred to the following Industrial Dispute for adjudication :

“Whether the action of the Sub Area Manager, Rajnagar R.O. of Hasdeo Area of S.E.C. Ltd. in dismissing Shri Ram Kapoor Gupta & Ram Gopal Gupta, Cableman, Rajnagar Colliery from company services w.e.f. 28-6-91 is legal and justified ? If not, to what relief the workman is entitled to ?”

2. The worker filed a statement of claim at Exhibit-2. He contended that he was sick. He could not attend the duty from 9-8-90 to 30-10-90. He was given a warning for that purpose. After receiving the warning he approached to the management with medical certificate. He worked for 3 days but on 3-11-90 he was not allowed to join the work. No enquiry was conducted against him, which was against the Principles of Natural Justice. It is averred that the termination of the worker is against the principle of natural justice. He prayed that he may be reinstated in service, in continuity with full back wages.

3. The management resisted the claim by their written statement. It is averred that the worker was remaining absent without any intimation to the management and thus committed error. It is pleaded that proper enquiry was held against the worker and he was found guilty. It is submitted that there is no case

to unjustify the action of the management. Under such circumstances the reference may be answered accordingly.

4. When the matter was fixed at Bombay for hearing the union representative namely Learned Advocate Mr. Anchand was present. The management's advocate was also present but union who was required to lead evidence remained absent on all dates. Ultimately the Learned Advocate for the union gave application (Exhibit-7) that last chance may be given to him to communicate to worker. It was on 1-7-96.

5. On 9-8-96 learned advocate for the union submitted that as union is from Nagpur side the matter may be fixed at Nagpur so that they will lead evidence there. A notice was issued to the union for attending the Court on 2-9-96. The management remained present but the union did not turn up. It is reported by the management that the worker is aware of the present date.

6. For giving one more opportunity to the worker the matter was adjourned to 3-9-96 that is today. He also remained absent today. The conduct speaks that worker is no more interested in prosecuting the proceeding further. He had not lead any evidence in the matter. In the result I make the following order :

ORDER

The action of the management in dismissing Gupta, cable man of Rajnagar Colliery from the service w.e.f. 26-6-91 is legal and justified.

Industrial Dispute No. 189 of 1990

In the matter of dispute between :

Divisional Secretary, Uttar Railway Karamchari Union,
39-II J Bahumanjaliya Colony,
Charbagh, Lucknow.

AND

Dy. Chief Mech. Engineer,
C & W Shop Uttar Railway,
Alambagh, Lucknow.

AWARD

1. Central Government, Ministry of Labour, vide its notification No. L-41011/56/89/IRDU dt. 22-3-90, has referred the following dispute for adjudication to this Tribunal —

Whether Dr. C.M.E. C&W shop Alambagh, Lucknow, was justified in not granting promotion to S/Sri Raj Bhasin, Tilak Raj, D. K. Lal and Bhuvneshwar, Choubey in terms of Railway Board's letter dt. 10-5-72, and subsequent letter dt. 9-2-79 in the scale of Rs. 380-560 revised ? If not to what relief the concerned workmen are entitled to ?

2. In this reference there are four workmen viz., Raj Pal Bhasin, Tilak Raj, V. K. Lal and Bhuvneshwar Choubey. In their claim statement they have alleged that they were working with the opposite party Northern Rly. in Gr. II (380-560) from 1-4-65, 6-8-77, 1-1-65 and 2-5-79, respectively. Later on they were sent to production control organisation (PCO) to work as inspector for checking the quality of production made by Artisan Staff working on shop floor. However they were not paid any extra remuneration. Railway Board's letter dt. 10-5-72 by virtue of which inspect working in PCO were allowed the grade (I). This fact was reiterated by Railway Board's letter dt. 9-2-79. Yet the opposite party is not granting grade (I) to the concerned workmen in the pay scale of Rs. 380-560 which they are entitled ? In this regard reference has also been made to some litigation made by the officials placed in similar circumstances in Amritsar by virtue of which they have been granted Grade (I) scale.

3. The opposite party has filed reply in which it has been alleged that the concerned workmen are doing work of supervisory nature, hence they are not workmen. It is further alleged that all the concerned workmen were to appear in trade test for promotion, but, they failed to turn up. It was also alleged that post of Inspector in PCO is ex cadre post whereas in

Amritsar it was not so. Hence the concerned workmen are not entitled for benefit of result of Amritsar litigation.

4. In the rejoinder the concerned workmen has said nothing new.

5. As regard first contention I do not find force that the concerned workmen are not workmen as envisaged by section 2(S) of I.D. Act. There is no dispute that the concerned workmen have been designated as Inspector in P.C.O. and are doing the work of Inspector. I fail to understand element of supervisory in the performance of their duty crops up at all. There can be no denying of the fact that an inspector has always been held to be workman as envisaged by section 2(s) of I.D. Act. The second question which calls for determination is as to whether the concerned workmen had failed to appear in trade test. B. K. Lal W.W.1 and Raipal Bhasin W.W. 2 had appeared in the witness box in support of their claim and have denied that they had been ever called for any trade test. This fact have been renudiated by V. P. Srivastava M.W.1 of the opposite party. The version of the railway also find support from papers filed by the opposite party railway on 24-7-95. Paper No. 1 to 4 alongwith this list are letters written by the workmen to the railway showing their inability to appear in trade test as it is not warranted in law. That lends support to the version of the opposite party railway that actually these workmen were called for trade test but they avoided to undertake it on one pretext or the other. There is copy of letter dt. 25-7-79 by virtue of which inspectors have been enabled for promotions provided they succeed suitability test. Hence holding of this suitability test was condition precedent for this promotion as the concerned workmen have failed to undertake this test, obviously they are not entitled for promotion.

6. Now some thing may be said about the party in the case of the concerned workman with that of Amritsar. There is copy of judgement of O.A. No. 706 of 87 S K. Bhattacharya and others versus Additional Chief Mechanical Engineer, Charbagh dated 11-4-87. It appears that persons in the category of present concerned workmen were transferred to their original place of posting from P.C.O. They had challenged this order of transfer. While rejecting the petition it was observed that the case of the workmen were not at par with that of staff of Amritsar Staff who were posted in P.C.O. organisation. Hence they could not claim parity with the staff of Amritsar Workshop. This judgement is interparty and as such binding upon the concerned workmen as well.

7. In view of this judgement the concerned workmen cannot claim parity with the staff of Amritsar Staff. Consequently, they cannot get any benefit from the judgement of the court of Munsif Amritsar.

8. In the end my award is that the concerned workmen are not entitled for promotion from any point of view as they are not holding any substantive

post in P.C.O. of the opposite party. As such they are not entitled for any relief.

In the matter of dispute between :

Divisional President, Uttar Railway Karnmchari Union,

2, Navin Market,
Parede, Kanpur.

AND

Divisional Railway Manager,
Northern Railway,
Allahabad.

AWARD

1. Central Government, Ministry of Labour, New Delhi, vide its Notification No. L-41012/53/89/IRDU dated 5th October, 1989, has referred

the following dispute for adjudication to this Tribunal :—

Whether the action of the management of DRM Northern Railway, Allahabad is terminating the services of Sri Dhanna Singh is justified ? If not, what relief the workman concerned is entitled to ?

2. The concerned workman Dhanna Singh has alleged that he was appointed as Gangman in 1976. He continued to work on this post. On 6-1-86, he was sent for medical examination for B-I category. He was declared medically fit on 9-1-86. On the basis of this medical report on 18-1-86, P.W. 1. D. N. Mishra had directed the concerned workman and two others to join duty in B-I Category. Since the concerned workman had worked for more than 120 days he was entitled for c.p.c. scale which was not given to him. It is further alleged that on 12-8-86 he had fallen ill due to Jaundice and dysentery. When he went for CPWI for medical leave he was not given medical memo instead he was asked to get his treatment done from private doctor. After getting himself treated likewise he submitted his medical report on 6-10-86, but he was not permitted to join which amount to retrenchment which is bad in law.

3. The opposite party has filed reply in which it is alleged that concerned workman is not entitled for c.p.c. scale. It is denied that he had worked as gangman since 1976. It is alleged that the concerned workman was doing work of casual labour. He absented from the work unauthorisedly. His services were not terminated. He has concocted the fact to give colour to his case.

4. The concerned workman has filed rejoinder in which the facts alleged in the claim statement has been reiterated. In support of his version the concerned workman has given his evidence. Further he has filed 18 papers out of which only paper No. 1 and paper No. 13 are relevant and rest are the copies of correspondence, and postal certificates. In rebuttal the management has filed affidavit of one R. C. Mishra an Engineer of the opposite party on 21-5-93 but he was not submitted for cross examination, hence his statement cannot be read in evidence.

5. As regards claim of c.p.c. scale, the same is beyond the scope of reference. Hence it is not being considered because of bar of section 10(4) of Industrial Disputes, Act, 1947. Hence, this point is left undecided.

6. The next point which needs consideration is whether the concerned workman had worked as gangman from 1976. In this regard the concerned workman Dhanna Singh has given his evidence. No doubt there is no counter affidavit still I am not

inclined to believe it as in his cross examination he himself has admitted that he has started his career in 1976 as a casual labour and continued to work upto 1985 in this capacity. Thereafter, on 9-1-86, he was sent for medical fitness. This totally belies the case of the concerned workman that he has worked as gangman since 1976. Instead my finding is that so far he has not been promoted as gangman although he was declared medically fit on 9-1-86. The concerned workman in his claim statement has referred to order of D. N. Misra dt. 18-1-86 but its copy has not been filed to prove this fact. I am further of the view that had he been promoted as gangman he would have been given the memo in August, 1986, where he had fallen ill. Because in ordinary course medical memo is not given to a casual worker, hence my finding is that the concerned workman was never promoted as gangman although he was declared medically fit. That declaration cannot be made in this reference as it is beyond its scope. My finding is that the concerned workman was still working as casual worker when he has fallen ill.

7. Next question is as to whether the concerned workman had fallen ill on 12-8-86 and had got treatment till 4-10-86. In this regard there is unrebuted evidence of concerned workman. Further there is letter dt. 8-4-87 given by the concerned workman to DEN Traffic in which it was alleged that he had fallen ill between the period as alleged, but he was not given work as he was asked to bring certificate from railway doctor. The same was submitted on 6-10-86 but still he was not given work. There endorsement of railway authority to look into the matter but no light has been shown before this Tribunal as to what happened in his case. In the absence of any such explanation by the railway authorities and further in the absence of any rebuttal of the case of the concerned workman it is held that the concerned workman had fallen ill between 12-8-86 to 4-10-86 and got himself medically treated. It is further held that when he went to join his duty alongwith medical certificate he was not allowed to join which certainly amounts to termination of his services. There is no explanation for this termination. In its absence this termination is without any rhyme or reason and accordingly it is bad in law.

8. It is accordingly held that the concerned workman is entitled for reinstatement with back wages at the rate at which he was drawing his salary for the last time as his termination is bad in law.

9. Reference is answered accordingly.

1. Central Government, Ministry of Labour, vide its notification number L-41012|123|93-IR(B), dated 20-4-95, has referred the following dispute for adjudication to this Tribunal :—

Kya Pranabdantha Mandal Rail Prabhandhak
Uttar Railway Allahabad dwara Sri
Munna Lal Ko dinank 30-9-92 se sewa

se nishkashit karna nyoyochit hai ? Yadi nahin to sambandhit Karamkar kis anu-
tosh ke adhikari hai ?

2. The case of the concerned workman Munna Lal is that he was appointed as Khalasi on 29-3-73. Thereafter in Loyal Quota he was taken as casual worker on 28-1-82 and worked there upto 26-8-84. In between 26-9-83 to 26-8-84 he had completed 354 days. Hence he had acquired temporary status. When he made a request for equal pay for equal work his services were terminated on 1-10-92.

3. The opposite party has failed to file reply in spite of sufficient opportunity. In support of his case the concerned workman has given his evidence as W.W. 1. Further he has filed casual labour card which lend support to his case that he had completed more than 240 days in a calender year.

4. The first point which needs consideration is as to whether the concerned workman has acquired temporary status. Since from the unrebuted evidence of Munna Lal concerned workman and casual labour card, it is established that concerned workman had completed more than 240 days. It is obvious that he had acquired temporary status and had completed 240 days. Hence he was entitled for benefit of section 25F of I.D. Act before retrenchment.

5. Since no retrenchment compensation and notice pay was given his termination is bad. Hence my award is that the concerned workman is entitled for reinstatement and with back wages at the rate at which he was taking his wages for the last time.

6. Costs Rs. 100 is also awarded to him.

Mahesh Kumar Yadav,

General Manager,
Bareilly Corporation Bank Limited,

AWARD

1. Central Government, Ministry of Labour, New Delhi, vide its Notification No. L-12011/37/89-IR Bank I dated 27-9-85, has referred the following dispute for its adjudication :—

"What the management of Bareilly Corporation Bank Limited was Justified in terminating the services of Shri Mahesh Kumar Yadav son of Sri Bajrangi Yadav in subordinate cadre w.e.f. 1-5-87 in violation of section 25F, G & H of Industrial Disputes Act, 1947 ? If not, to what relief the workman was entitled to ?"

2. It is common ground that the concerned workman had worked as peon for 311 days with the Bisalpur Branch and Pilibhit Branch of the Bareilly Corporation Bank Limited between 7-84 and 30-4-87, out of which he worked for 61 days at Bisalpur branch and for the remaining period he worked at Pilibhit Branch.

3. The case of the concerned workman is that he had worked on a permanent post. The work was there still the concerned workman was denied work w.e.f. 1-5-87 when his services were brought to an end when juniors to him were still working. Further new hands were engaged but he was not given any opportunity of re-employment and thereby there has been breach of section 25H of I.D. Act. In this way the termination is bad.

4. The opposite party has filed reply in which it is alleged that the concerned workman was engaged to do work of casual nature. No work of permanent nature was never assigned to him. It was also denied that juniors to him have been retained in service. Further the factum of breach of section 25H of I.D. Act has also been denied. It was also alleged that there has been delay in making reference.

5. In the rejoinder the facts alleged in the claim statement have been reiterated.

6. As regards the question of delay the termination is dated 1-5-87, whereas reference was made on 27-9-89 i.e. after lapse of about 2¹/₂ years which in my opinion is certainly not sufficient long gap, to call it belated reference.

7. The next point which calls for consideration is as to whether the concerned workman was engaged as a casual worker or as a temporary hand to do work of permanent nature.

8. In his cross examination he has given the number of days for which he had worked. He has further stated that he was not paid wages as per scale. He has further stated that he had given application for employment to one Sri P. C. Arora Branch Manager. He has further stated that he was required to give certificate regarding his educational qualification but the same was returned. Branch Inspector A. S. Bhakuni M.W. 1 has stated that the concerned workman was engaged to meet the exigencies of work. He however in his cross examination has admitted that the concerned workman was not engaged in leave vacancies of any one. It may be mentioned that the concerned workman has filed certificate dated 7-1-86, 9-1-86 and 10-1-86 in which the branch manager has certified that the concerned workman had worked in subordinate cadre temporarily. These certificates in no unmistakable terms go to prove the case of the concerned workman that he was engaged temporarily hence, I accept the version of the concerned workman and hold that he was engaged temporarily to do work of permanent nature. The case of the management in this regard is not correct.

9. There is no evidence worth the name to show that juniors to the concerned workman were retained in service when the services of the concerned workman were brought to an end. Hence, it is held that there has been breach of section 25G of I.D. Act for want of proof.

10. The concerned workman Mahesh Kumar has stated that after the cessation of work new hands were retained but he was not given opportunity. A. S. Bhakuni M.W. 1 in his cross examination has admitted that after the termination of services of the concerned workman fresh branches were opened and fresh hands were also appointed. In my opinion, this amply proves the claim of the

concerned workman that after termination of his services new hands were engaged but he was not given opportunity. Hence, there has been breach of section 25H of Industrial Disputes Act. Reference may be made to the case of State Bank of Bikaner & Jaipur versus their workmen, Civil Appeal No. 7029 of 1994 wherein it has been held by the Hon'ble Supreme Court vide judgment dt. 8-2-96 that the provisions of section 25G & H of Industrial Disputes Act, 1947, are independent of section 25F of I.D. Act. In other words it is not necessary for availing the benefit of section 25H of I.D. Act that a workman should have completed 240 days in a calendar year. It is enough if it is shown that he was employed temporarily and section 25H of I.D. Act will come into play. In view of this authority and also keeping in view the fact that there has been breach of section 25H of I.D. Act in the instant case, it is held that termination of the services of the concerned workman is bad in this regard.

11. It is awarded accordingly and it is held that the services of the concerned workman is bad in law and he is entitled for reinstatement with back wages.

AWARD

1: Central Government, Ministry of Labour, vide its Notification No. L-41011/62/92-IR-D.U., dated 9-12-93, has referred the following dispute for adjudication to this Tribunal—

Whether the demand of Chaturth Shreni Rail Mazdoor Congress (INTUC) Agra for provision of re-engagement and regularising their service with retrospective effect to Sri Om Prakash son of Jagdish Prasad and 67 others as per Annexure-A is justified? If so what relief the concerned workmen are entitled to?

2. In this reference there are 68 workmen, headed by Sri Om Prakash; the details of their appointment and termination have been given in the list attached with the reference order. The case of the concerned workmen is that they were duly engaged employees of the opposite party. They had completed 120 days. Hence they had acquired temporary status. When they made a demand for temporary status their services were determined. They were entitled for regularisation.

3. The opposite party railway has filed reply alleging that concerned workmen had not completed 120 days. Instead, they were engaged from time to time to do purely temporary work. In any case they had not acquired temporary status.

4. The concerned workmen filed rejoinder in which they had reiterated the facts alleged earlier.

5. In support of their case Ashok Kumar one of the workmen gave his evidence on behalf of all the workmen claiming that they had completed 120 days in a calendar year and as such had ac-

quired temporary status. The management did not adduce any evidence, although opportunity was given to them.

6. There can be no manner of doubt that when a worker is engaged by opposite party railway, a service card is given to such worker. The concerned workmen should have filed such service card which would have proved the plea of number of days and nature of work performed by these workmen. As these workers have not filed such service card. I am not inclined to accept their version. Hence it is held that the concerned workman had not completed 120 days. As such they did not acquire any status.

7. Accordingly on the basis of this claim the concerned workmen are not entitled for re-engagement and regularisation. Further they are not entitled for any relief.
